ABOUT SOFTWAREONE

SoftwareONE is a leading global provider of end-to-end software and cloud technology solutions, headquartered in Switzerland. With an IP and technology-driven services portfolio, it enables companies to holistically develop and implement their commercial, technology and digital transformation strategies. This is achieved by modernizing applications and migrating critical workloads on public clouds, while simultaneously managing and optimizing the related software and cloud assets and licensing. SoftwareONE's offerings are connected by PyraCloud, its proprietary digital platform, which provides customers with data-driven, actionable intelligence. With around 8,300 employees and sales and service delivery capabilities in 90 countries, SoftwareONE provides around 65,000 business customers with software and cloud solutions from over 7,500 publishers. SoftwareONE's shares (SWON) are listed on SIX Swiss Exchange. For more information, please visit [SoftwareONE.com](https://www.softwareone.com).
