## SoftwareONE announces change to the Executive Board

Stans, Switzerland | 8 November 2022 – **SoftwareONE Holding AG, a leading global provider of end-to-end software and cloud technology solutions, today announces that Alex Alexandrov, member of the Executive Board, has decided to leave SoftwareONE at the end of 2022 for a new professional challenge.**

Alex joined SoftwareONE in 2017 as Chief Operating Officer and Head of M&A and Strategy, recently taking over responsibility for the LATAM region. During his tenure, Alex has been instrumental in industrializing SoftwareONE's global shared service centers, building the M&A and post-merger integration program, driving internal digital transformation and accelerating profitable growth of the LATAM region. Additionally, he was part of the Executive Board which led SoftwareONE's IPO in 2019.

**Dieter Schlosser, CEO of SoftwareONE** said, "On behalf of the Board of Directors and Executive Board of SoftwareONE, I would like to sincerely thank Alex for his many contributions over the past six years which have been key to our growth journey. His commitment, energy and expertise have made a lasting impact on SoftwareONE. We wish him all the best for the future."

A search process for his successor as President of LATAM is ongoing while his COO responsibilities have been transitioned to other members of the Executive Board.

## ABOUT SOFTWAREONE

SoftwareONE is a leading global provider of end-to-end software and cloud technology solutions, headquartered in Switzerland. With an IP and technology-driven services portfolio, it enables companies to holistically develop and implement their commercial, technology and digital transformation strategies. This is achieved by modernizing applications and migrating critical workloads on public clouds, while simultaneously managing and optimizing the related software and cloud assets and licensing. SoftwareONE's offerings are connected by PyraCloud, its proprietary digital platform, which provides customers with data-driven, actionable intelligence. With around 8,900 employees and sales and service delivery capabilities in 90 countries, SoftwareONE provides around 65,000 business customers with software and cloud solutions from over 7,500 publishers. SoftwareONE's shares (SWON) are listed on SIX Swiss Exchange. For more information, please visit [www.softwareone.com](http://www.softwareone.com)
