SoftwareOne announces termination of total return swap agreement and delivery of shares in Crayon

27 June 2025

SoftwareOne Holding AG (SIX: SWON), a leading global software and cloud solutions provider, today announced that it has terminated its total return swap (TRS) agreement, which was entered into in December 2022, and received delivery of all 4,578,588 Crayon shares.

On 14 April 2025, SoftwareOne announced that it had entered into an amendment agreement in relation to its existing TRS, stipulating that SoftwareOne is granted the right to elect either physical or cash settlement upon maturity or termination of the TRS agreement.

SoftwareOne has now exercised the physical settlement option and today received delivery of all 4,578,588 Crayon shares covered by the TRS agreement. Following delivery, SoftwareOne holds 6,259,613 shares, equivalent to approximately 6.99% of the issued and outstanding shares in Crayon.

Together with the 75,941,335 shares tendered in the voluntary tender offer, SoftwareOne will own 82,200,948 shares in Crayon following completion of the offer, representing approximately 91.77% of the outstanding share capital and voting rights.

As previously announced, SoftwareOne intends to carry out a compulsory acquisition of the remaining shares in Crayon upon closing of the transaction, which is expected on or about 2 July 2025. Following this, SoftwareOne will pursue a delisting of the Crayon shares from Euronext Oslo Børs.
