

Media statement

Media statement on investigation into current and former employees

03 December 2025 – On Tuesday, 2 December 2025 searches were conducted at SoftwareOne's offices in Stans, Switzerland and Leipzig, Germany. These measures are connected to investigations into five non-executive current or former employees for potential insider-information violations. The presumption of innocence applies.

SoftwareOne is not accused of any wrongdoing and is fully cooperating with the authorities.
