By public transport

Travel to the railway station Amsterdam-Sloterdijk.

From the main entrance and exit of the station (Orlyplein) you walk across the station square to your left and front. A little further then the overhead railway, you cross the road and follow the pavement on the right side of the building. You'll then enter the Naritaweg. Then cross the street and take the second road on your left.

SoftwareONE is the last building on your right hand. It's a ten minute walk from the railway station.
