**Hi all,**

The cornerstone of SoftwareOne's success is, and always has been, our firm commitment to our core values. How we act and behave as a company, as teams, and as individuals is integral to maintaining the trust of our clients, partners, and stakeholders. They count on us to always uphold the highest standards of professionalism and integrity.

Our Code of Conduct reflects our identity. It is a guide for making business decisions, a resource for resolving potential conflicts, and above all, our commitment to do the right thing. This Code is not just a set of guidelines; it is the basis of who we are as a company.

If you have questions about our Code or feel that our core values are being compromised, please speak up. Whether it's through your leader, our Legal & Compliance team, anonymously through the Integrity Line, or as a message to [compliance.global@softwareone.com](mailto:compliance.global@softwareone.com), do not hesitate to reach out to us.

Thank you for your unwavering dedication to SoftwareOne and for embodying our core values every day. It's through your efforts and commitment that we continue to grow and succeed. I am immensely inspired by our achievements and even more excited by what lies ahead.

Best regards,

Brian Duffy
